Why Real Women Drink Straight Tequila—The Tao of Intimacy Authors Hold Book Release Party at Tao Garden Resort in Chiang Mai, Thailand

What happens when adults stop being victimized by their own self-limiting beliefs about romance and intimacy?

Universal Healing Tao favorites Sarina Stone and R. Mordant Mahon answer these questions in *Why Real Women Drink Straight Tequila – The Tao of Intimacy*. This handbook for dating in the new millennium is funny, educational, and entertaining, as the authors have blended short stories and self-help instructional material with ancient Taoist principals and quantum physics.

Please join us for an evening of good food and good fun in Tao Garden Health Spa & Resort to launch this wonderful book. Tao Garden and Grandmaster Chia are featured in the book as are Chiang Mai and Universal Healing Tao, so it is a perfect place to celebrate.
